

CEA-Leti Innovation Days /

LID World Summit

June 23-25, 2026 | Grenoble, France

Pioneered by

CEO, CTO, CSO, scientist, business developer Join semiconductor industry leaders at CEA-Leti's flagship event

High-level speakers

Get inspired by some of the semiconductor industry's top executives and technology experts, and discover what trends are just over the horizon.

Latest technologies

Explore a wide array of live demos and prototypes in the exhibition spaces, meet our startups and learn about their advanced technologies.

Business meetings

We want you to leave Grenoble having talked to everyone you intended to meet! Make sure to take the opportunity to pre-schedule one-to-one business meetings.
